COLLEGE OF BUSINESS AND ECONOMICS

UNDERGRADUATE STUDIES 2027 INTAKE

Warm greetings from the College of Business and Economics, or fondly known as the CBE, at the University of Johannesburg. In a blink of an eye, the whole world changed from the fourth industrial revolution, or 4IR, and digital technology that influences many aspects of people's daily lives and functions to the snowballing of Artificial Intelligence, AI, from manufacturing robots, self-driving cars, smart assistants to automated financial investing and marketing chatbots, to name a few, are here to stay.

The University of Johannesburg, or UJ, is at the forefront of innovation and future learning. The College of Business and Economics is also excelling in the 4IR creative and innovative game plan to educate a workforce that is fit for the future.

In doing so, we develop critical thinkers and

problem solvers who address business, economic and societal challenges. This means that we seek ways to use technology and innovation to be better informed, healthier, safer, behave better, connect faster, learn and research, and develop leaders for the industry who believe in sustainability and merit the impact of behaviour on society and the environment. Our lecturers use creative and innovative digital teaching methods as well as real-world examples and case studies to prepare students for the world of work.

The CBE houses a wide variety of qualifications in an extensive range of business and economic education opportunities. These qualifications vary from extended diplomas and degrees, diplomas to BA and BCom Degrees followed by postgraduate qualifications after completion of your undergraduate studies.

Our programmes are offered over three campuses, namely: the Auckland Park Kingsway Campus – referred to in short as APK, Auckland Park Bunting Road Campus – or APB and the Soweto Campus –SWC.

We look forward to welcoming you to the CBE family.

NATIONAL & INTERNATIONAL APPLICANTS

How to determine your Admission Point Score (APS)

An Admission Point Score (APS), explained below, has been developed for the National Senior Certificate (NSC) and the Independent Examinations Board (IEB) based on the Achievement Rating of each subject. The total APS is the sum of the achievement ratings of the six school subjects. Life Orientation is not counted in the calculation of the total APS.

APS implementation rules

In order to determine the Admission Point Score (APS) the following principles are important:

- Applicants with the following results, WAEC, Diplome or Exam D'Etat, Certificado de Habilitacoes Literarias, Ensino Medio and Baccalaureat should be linked with the Ordinary Level (O) Grades on UJ's Student database.
- Applicants with the following results, HIGCSE, NSSC (HL), AS Level, IB (SL) and KCSE should be linked to the South African NSC (N) Grades on UJ's Student database.
- Applicants who have set for either A Level or IB (HL) should be linked to the (A) Grades on UJ's Student database.

BURSARIES

Merit Bursaries

Academic merit bursaries are awarded annually on the grounds of exceptional

academic achievement. This is determined according to marks obtained in the six best subjects (**excluding LO**) on your senior certificate. Your final senior certificate will determine your first-year bursary. Bursaries for second- and third-year studies will be awarded according to the average obtained in the June and December University examinations.

Orange Carpet

The Orange Carpet rewards programme is a UJ initiative to further recognise top achievers. The objective of the campaign is to allow top-performing learners early conditional admission to the University as well as special benefits. To qualify for these benefits, a learner must obtain at least an Admission Point Score (APS) of 37 and above with a Level 6 or higher in all subjects in either their final Grade 11 or final Grade 12 results. Meet the specific subject requirements for the programme you are interested in and obtain a 70% and above in all relevant subjects. Final acceptance, for applicants' condition-ally admitted based on their final Grade 11 results, will be dependent on the learner maintaining these results in their final Grade 12 results.

Final admission to the Orange Carpet initiative for applicants writing final Grade 12 Other than the NSC or IEB, will be based on the discretion of the relevant faculty. This initiative begins in February and closes with all undergraduate programmes on 30 September. Submit your application without delay or call Student Marketing for any enquiries: 011 559 6680
